Royal Commission into Aged Care Quality and Safety: Aged Care Program Redesign - Submission 2020

Submitted to the Royal Commission into Aged Care Quality and Safety (January 2020).

Our submission is in response to the consultation paper on Aged Care Program Redesign (Consultation Paper 1).

The consultation paper discusses the redesign of aged care services for our nation's future.

We welcome the opportunity to provide our feedback on the redesign to help identify gaps and solutions in improving older people's access to allied health services, including dietetic and nutrition services.

For our recommendations, download the full submission.
