Food Security for Aboriginal and Torres Strait Islander Peoples Policy - Joint position statement

The purpose of the joint statement is to provide succinct data about the food security situation for Aboriginal and Torres Strait Islander peoples in Australia. It outlines the action needed to address the issues identified.

We developed the joint statement and background paper with the:

- Public Health Association of Australia and Australian Red Cross
- National Heart Foundation of Australia
- Indigenous Allied Health Australia
- Victorian Aboriginal Community Controlled Health Organisation

For more, download the joint position statement and background paper.
