

Advertisement and Distribution of Surveys, Research and Quality Activities Policy and Procedure

We can help to promote research activities and surveys to our members using Dietitians Australia communications platforms.

This policy details the application and approval process for distribution.

The policy includes:

- guidelines to advertise
- steps on how to apply to advertise
- advertising fees
- application for survey advertisement and/or distribution

Download our [**Advertisement and Distribution of Surveys, Research and Quality Activities Policy and Procedure**](#).

[Policy for Acceptance and Dissemination of Advertising \(including Trade Exhibitions\)](#)

Our policy for advertising to members, including guidelines for advertising and booking forms.
[Advertising opportunities](#)

We offer several advertising opportunities for organisations wishing to reach those working in dietetics and nutrition.
