

Guidelines for Engagement in Coalitions, Alliances and other Groups

This policy guides our decision to join a coalition, alliance or other groups.

The reason to join is based on the benefits to Dietitians Australia and our members.

The policy includes:

- the process of reviewing an invitation to join a group
- the criteria to help assess if we should join the group
- process of minimising risk to Dietitians Australia
- reporting needs

Download our [Guidelines to inform our Engagement in Coalitions, Alliances and other Groups](#).
