Accredited Practising Dietitian Policy

Our policy for the Accredited Practising Dietitian (APD) credential is in line with the Accredited Practising Dietitian (APD) Handbook (members only). It details the governance of our APD credential.

The policy gives details for:

- the process and approval of APD applications
- criteria to get and maintain the credential
- what APDs are entitled to
- Continuing Professional Development (CPD) and recency of practice requirements
- who is eligible for the Advanced APD credential
- who is eligible for the Resumption of Accredited Practice Dietitian program
