

# Branch Governance By-law

Our Branches are a group of Dietitians Australia members from the same state or territory. They share a common interest to engage with and advocate on behalf of other members within their own state or territory.

Our Branch Governance By-law details the:

- purpose of a Branch
- how they are established
- the structure of a Branch
- the purpose of a Branch Leadership Committee and how to join
- management of a Branch and their Leadership Committees
