Amanda Maiorano, Accredited Practising Dietitian (APD)

Ingredients

Method

Nutrition

3 tbsp extra virgin olive oil

3 garlic cloves

2 cups frozen peas (280g), defrosted

1/4 cup fresh basil

1/2 cup cooking water

2 tbsp lemon juice

Salt and black pepper, to season

400g short dried pasta (I used orecchiette)

1/2 cup grated parmesan or pecorino cheese

1 tsp lemon zest

1. Bring a pot of salted water to boil and cook pasta until al dente.
2. Add olive oil to a medium saucepan and cook garlic for 2-3 minutes, or until soft, but still blonde.
3. To a blender, add garlic and oil, 1.5 cups of the defrosted peas, basil, lemon juice, salt, black pepper and 1/2 cup of pasta water. Blend until smooth and creamy.
4. Return sauce to the pan and add the cooked pasta. Stir until well-coated, adding more pasta water if needed. Add the grated cheese, remaining peas and lemon zest. Stir again, then serve!
