1/2 cup green leek tips thinly sliced (discard the white ends)

6 eggs

1/2 cup lactose free milk (reduced fat)

1/4 cup parmesan, grated

1-2 slices low FODMAP bread (to serve)

3. Heat remaining oil in a pan and cook leek for 3-4 minutes, add spinach and cook for a further 1-2 minutes until it begins to wilt.
4. Grease an oven-proof dish with a thin layer of olive oil and add leek tips, spinach, pumpkin and potato.
5. Whisk together the eggs and milk and pour over the vegetables. Top with black olives and parmesan cheese.
