

# Draft Canberra Region Local Food Strategy

**Submitted to ACT Government.**

Dietitians Australia supports the draft Canberra region local food strategy, which recognizes the food system, and its ability to become a powerful driving force towards improving the interconnectedness of agriculture, food, health and planet, resulting in fair prices and conditions for producers, reduced food insecurity, and ending malnutrition in all its forms.

Dietitians Australia supports all options. The preferences indicated are aligned to deliver healthy diets that are safe, affordable, sustainable and culturally acceptable, resulting in improved nutrition and health outcomes and with positive impacts on the environment and economies
