

# Priorities for new Queensland Government

Dietitians Australia is advocating to the new Queensland Government to focus on improving nutrition outcomes for the health and wellbeing of all Queenslanders, prioritising efforts in Queensland public schools and mental health services.

We are calling the Government to:

- Provide all Queensland public primary schools with ongoing access to community health Accredited Practising Dietitians to facilitate co-designed nutrition support programs
- Ensure the equitable integration of the dietetic workforce across Queensland Health, prioritising Queensland Mental Health services
