

NDIS Evidence Advisory Committee Specific Supports Review – Smart Home Appliances for cooking, Exercise Physiology

As part of our response to the NDIS Evidence Advisory Committee's Specific Supports review of smart home (cooking and blending) appliances, Dietitians Australia called for the NDIS's ongoing endorsement of these appliances as funded supports under the NDIS and to ensure participants have funded access where these appliances are needed.

Dietitians Australia also expressed support for submission of the Exercise and Sports Science Association.
